

Top of the Travel Shops in Greece

Customer

Acquire software was behind a network of digital signs in 'Top Travel' stores across Greece. The stores, part of the Carrefour retail group, used Acquire to communicate special promotional offers and holiday information.

Installed and managed by Acquire's Greek reseller, *i-Contact*, the system featured a simple to learn, and use, web service which allowed any of the 'Top Travel' store staff to update prices, images, holiday details and destination information quickly and easily.
